# Name That Tune! Deluxe: My Challenges

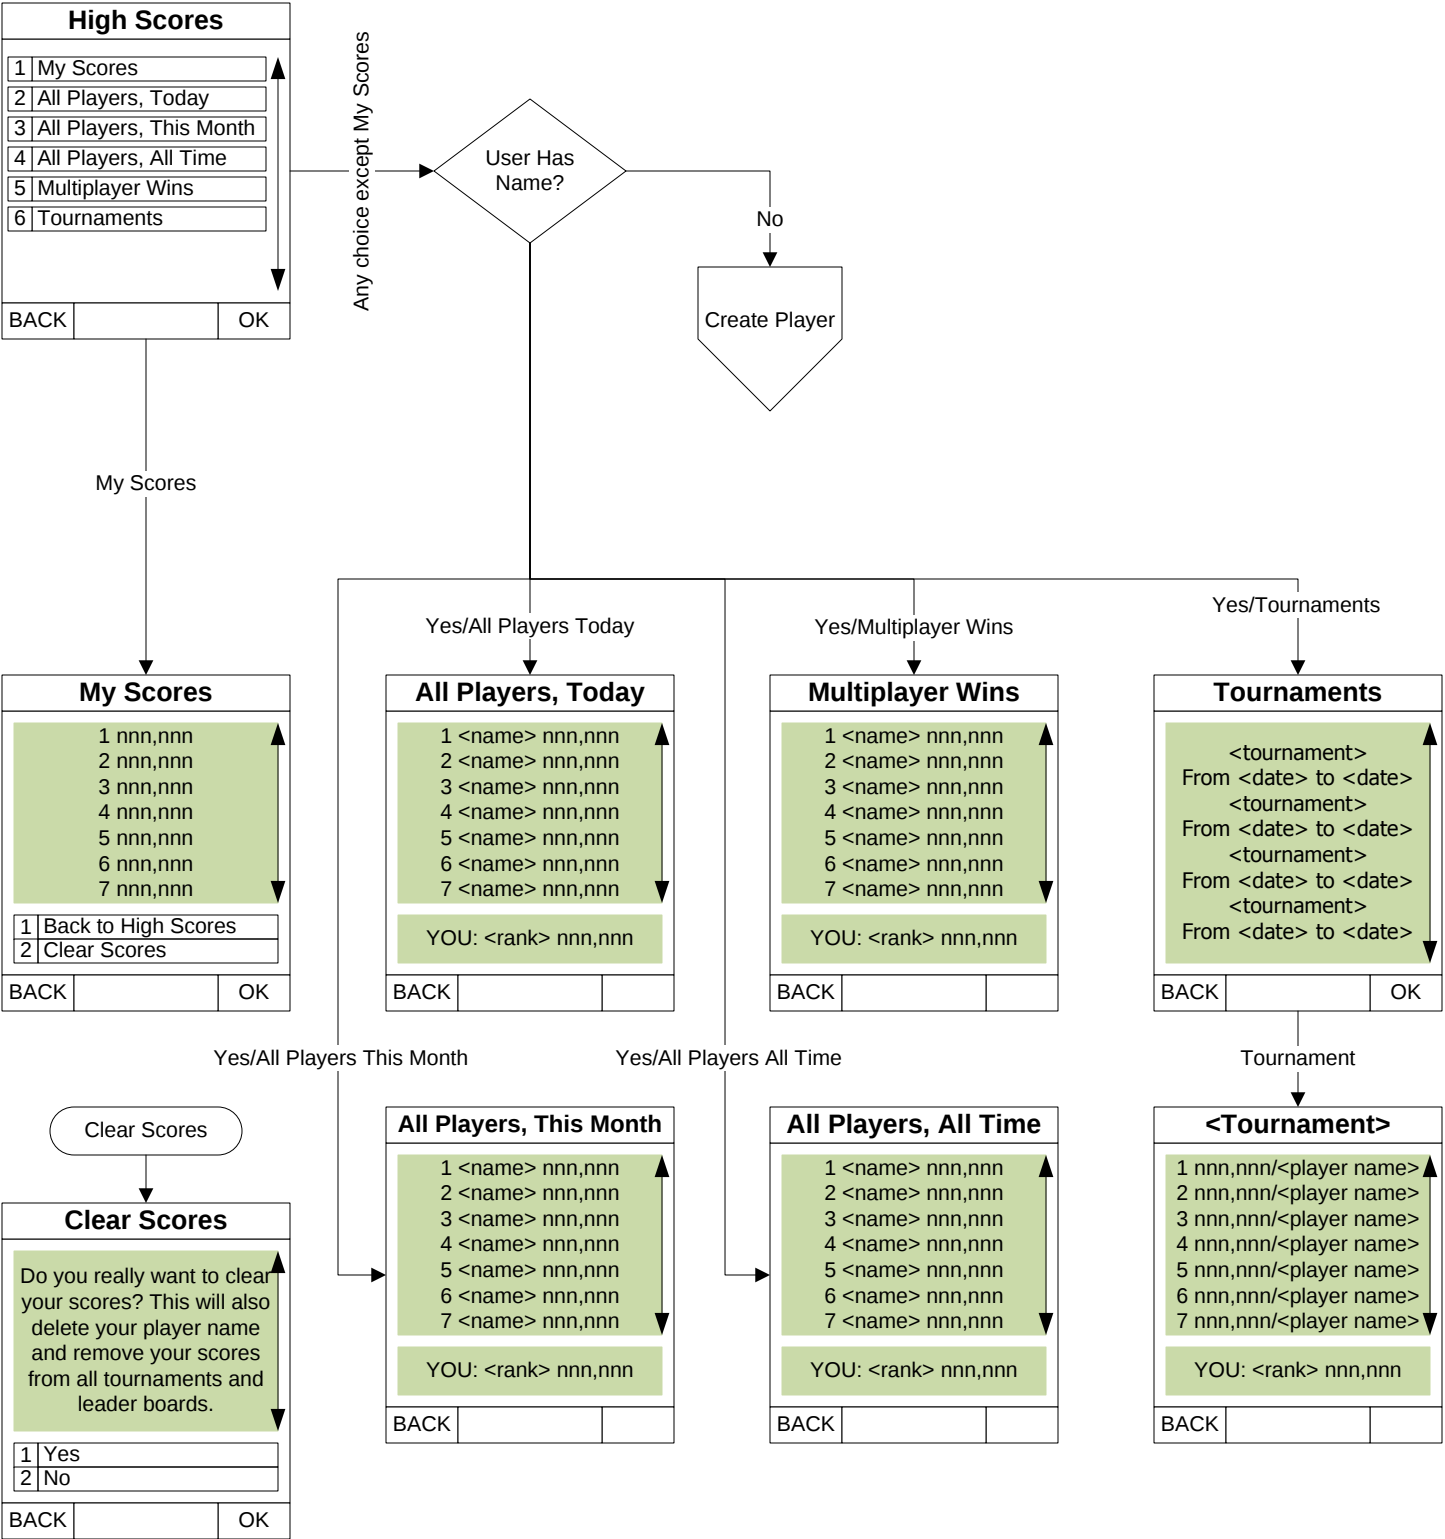

|               |               |        |
|---------------|---------------|--------|
| My Challenges |               |        |
| 1             | <email><date> | ▲<br>▼ |
| 2             | <email><date> |        |
| 3             | <email><date> |        |
| 4             | <email><date> |        |
| 5             | <email><date> |        |
| 6             | <email><date> |        |
| 7             | <email><date> |        |
| 8             | <email><date> |        |
| BACK          |               | OK     |

Some sort of visual cue as to whether the challenge has been answered and whether the user won/lost the challenge would seem to make sense.

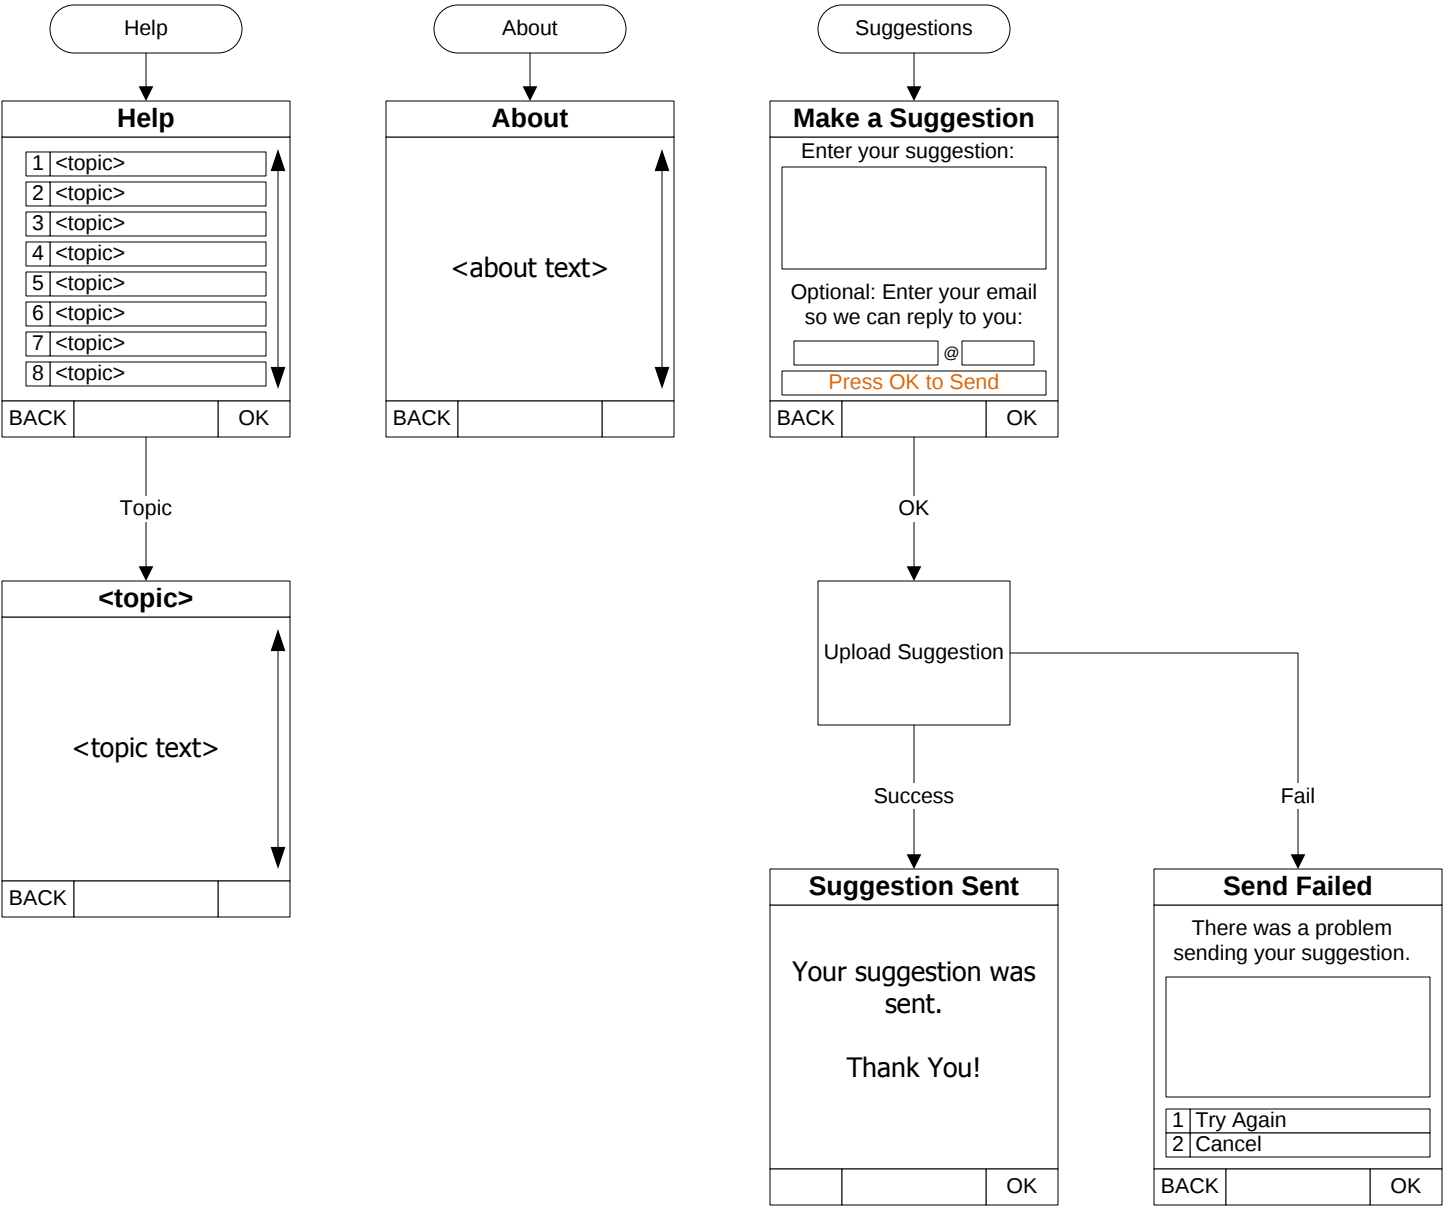

Challenge

|                                 |  |  |
|---------------------------------|--|--|
| You Won/Lost!                   |  |  |
| Your Score<br>n,nnn             |  |  |
| Opponent's Score<br>n,nnn       |  |  |
| <Opponent's Message><br><text>  |  |  |
| Question & Answer<br><question> |  |  |
| <correct answer>                |  |  |
| BACK                            |  |  |
